Membership fees

The monthly membership fee is 1% of your net monthly income. The minimum is 7 Euros per month. In case of financial difficulties, this amount can be lowered or waived. Every member is free to pay a higher fee.

Membership fees can be paid via bank standing order or in cash. In each case, all payments must be confirmed by our treasurer in your membership card.

Choose one of the following payment methods:

I will pay via monthly bank standing order.

(Called *Dauerauftrag* in German. For us, this is the easiest. You can do this via online banking by setting up a transaction that will automatically transfer your membership fee every month to the above account. Alternatively, you can do this directly in your bank.)

I will pay in cash.

(usually done at the monthly general assembly)

After payment of first month's dues and acknowledgement of receipt thereof by the secretary, membership commences; however, it must be confirmed at the following general assembly. Upon request, an FAU email account can be created.

I agree with the collection, processing and use of the personal data requested on this form by the FAU Berlin for member administration by way of electronic data processing. I am aware that the application for membership cannot be processed without this consent.

Your information will be treated confidentially.
